HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that the regulations respecting bounties on noxious animals made by Order in Council No. 542, approved April 30th, 1935, as amended, under the provisions of clause (e) of section 68 of the "Game Act," chapter 28 of the Statutes of British Columbia, 1935, be rescinded:

And that under the provisions of clause (e) of section 68 of the "Game Act," being chapter 108 of the "Revised Statutes of British Columbia, 1936," the following regulations in regard to bounties on noxious animals be made and promulgated:—

"(1.) Subject to the provisions hereinafter contained, payment shall be made to any person who is the holder of a licence to carry firearms under the 'Game Act,' or to any Indian who is a resident of the Province:—

"In respect of each cougar killed within the Province, a bounty of \$15.00

"In respect of each timber wolf killed within the Province, a bounty of 10.00

"In respect of each coyote killed within the Province during the period from April 1st to October 31st, inclusive, in each year, a bounty of 2.00

"Provided that upon application for and before payment of the bounty on a coyote is made, the whole pelt of the animal must be surrendered to the Game Commission.

"(2.) No bounty shall be payable in respect of any animal that was less than one week old when killed, nor unless the pelt of the animal is produced with an application for bounty within six months after the date on which it was killed: Provided, however, that the pelts of coyotes killed during the period mentioned in section (1) must be presented and application for bounty made within fourteen (14) days after October 31st.

"(3.) Every person applying for bounty in respect of any animal killed by him shall produce the entire pelt of the animal to one of the following officers—namely, a Government Agent, a Provincial Game Inspector or Supervisor, a Game Warden, an officer or constable of the Provincial Police Force, or a person duly authorized in writing by the Game Commission to receive application; and shall deliver to the officer the application made by the applicant in a form prescribed by the Game Commission, setting out the facts as to the killing of the animal and stating the date on which and the place where it was killed. The applicant, if he is the holder of a licence to carry firearms, shall also produce his licence for inspection by the officer.

"(4.) The officer shall examine the pelt of the cougar or wolf so produced to him, and if a hole is found in either ear of the pelt he shall refuse the application. If both ears are found to be intact and the application is found to be in accordance with the provisions herein contained, he shall cut a hole not less than one-half inch in diameter in the left ear of the pelt, and shall endorse upon the application a certificate of approval in the form provided by the Game Commission, and shall return the approved application to the applicant. In respect of an application for bounty covering the destruction of a coyote the pelt thereof must be surrendered to the officer, who, if on examination finds that it is of no commercial value, must destroy same and a note of such destruction must be made on the certificate of approval mentioned herein. If the pelt is of a commercial value then such officer must forward same immediately to the Game Commission.

"(5.) Where an animal is killed by means other than a firearm, and where the person killing it is neither the holder of a licence to carry firearms nor an Indian, payment of the bounty may be made to that person if his application therefor is otherwise in compliance with these regulations and is approved, in writing, by the Game Commission.

"(6.) Upon the deposit of the approved application with any Government Agent within sixty (60) days from the date of the certificate of approval, the Government Agent may pay to the applicant the amount payable hereunder with respect to the animals so killed by him."
